The Premier Java Event of 2009

SpringSource and No Fluff Just Stuff Symposium Series are pleased to present SpringOne 2GX.

SpringOne 2GX will include a technical exploration of the Spring ecosystem along with the latest developments in the Groovy/Grails space. As a participant, you will have the opportunity to attend two great events at one venue. Whether you're a Spring enthusiast, Tomcat user, Groovy/Grails fan, or just interested in open source development, you'll find valuable content in sessions presented here.

This year's event will be held at the recently restored Roosevelt Hotel in New Orleans. Now a part of the prestigious Waldorf Astoria Collection, this landmark hotel combines elegant guest rooms, historic dining, and a luxurious spa, all in the heart of this fabulous city.
